About the Texas Center for Learning Disabilities

The Texas Center for Learning Disabilities is a research center that investigates the classification, early intervention, and remediation of learning disabilities. The National Institutes of Health funds research activities, which are conducted at the University of Houston, The University of Texas at Austin, The University of Texas Health Science Center at Houston, and St. Louis University. To learn more about the Texas Center for Learning Disabilities, visit www.texasldcenter.org

This research was supported in part by grant P50 HD052117 from the Eunice Kennedy Shriver National Institute of Child

Health and Human Development. The content is solely the responsibility of the authors and does not necessarily represent the official views of the National Institute of Child Health and Human Development or the National Institutes of Health.

Name: _____
