# **About the Texas Center for Learning Disabilities**

The Texas Center for Learning Disabilities (TCLD) is a research center that investigates the classification, early intervention, and remediation of learning disabilities. The National Institutes of Health funds research activities, which are conducted at the University of Houston, The University of Texas at Austin, and The University of Texas Health Science Center at Houston. To learn more about TCLD, visit our website at www.texasldcenter.org.

This research was supported in part by grant P50 HD052117 from the *Eunice Kennedy Shriver* National Institute of Child Health and Human Development (NICHD). The content is solely the responsibility of the authors and does not necessarily represent the official views of the NICHD or the National Institutes of Health.
